

# ELEVATE NM

## A Business Leaders & Innovation Speakers Series

**New Mexico's Premier Power Lunch for Entrepreneurs,  
Business Innovators, and Change-Makers**

Where bold ideas, influential leaders, and New Mexico's  
economic future **come to the table.**

*Featuring Keynote Speaker:  
Meg Whitman*

**WHEN:** October 15, 2025

**TIME:** 11:30am – 1:30pm

**WHERE:** Lobo Rainforest Building, 101 Broadway Blvd NE,  
Albuquerque, NM 87102

**REGISTER:** [nmbioscience.org/what-we-do/events/](https://nmbioscience.org/what-we-do/events/)

A coalition of leading organizations—including the **Hispano Chamber of Commerce, UNM Health Sciences Center, UNM Anderson School of Management, the New Mexico Bioscience Authority, and Dekker**—proudly presents **Elevate NM: A Leadership & Innovation Series**. This dynamic, high-impact speaker series is designed to inspire leadership, drive innovation, and catalyze economic growth across New Mexico.

Each event brings together top business leaders, accredited investors, entrepreneurs, and change agents from across the state and nation to share **strategies, insights, and transformative stories** shaping the future of commerce and community.

From **emerging startup founders to seasoned C-Suite executives, from pioneering researchers to forward-thinking policymakers**, Elevate NM: A Leadership & Innovation Series is where connections spark opportunities—and where vision turns into action.

Whether you are **launching a venture, scaling an enterprise, driving investment, or reimagining the future** of your industry, this is the room where **possibilities expand, partnerships are forged, and New Mexico's next economic development chapter** begins.

**Lunch will be provided.**
